IPA Sweden

# Candidate for the Secretary General of the International Executive Board for the term 2019 - 2023

- May-Britt V. R. Ronnebro will in the role as Secretary General protect the basic ideas and values of the IPA Founder; Mr. Arthur Troop. She will together with the members of the IEB and national sections develop and form the Strategy and the Vision for the future of IPA. May-Britt respect and recognise each section's national independence and needs. She would like to bring the members sections closer together towards One Body with One Vision. She will be there to support sections in foundation and retain positive relationship with the members sections.
- May-Britt is an IPA member since 1981 and have held Branch, Regional and National positions since 1989. She is the National President of IPA Sweden. She is an experienced and respected serving Police officer. She is Master in Criminology and Police management at Cambridge University, UK.
- May-Britt is comfortable working with cultural diversities which is an advantage with members from five continents who are willing to share experiences.
- Presented IPA and professional knowledges will be well place with her at the role as Secretary General. She got well documented professional proficiencies in organising and moderating conferences for 12 up to 900 participants, reviewing statutes and rules, writing minutes, memorandums and reports.
- May-Britt is a team builder, networker and cross-functional, who works towards performance excellence. She is organised, a futurist, a true friend and an IPA patron.
- May-Britt's values are based on human rights, children's rights, diversity and equal opportunities. This to the benefit of IPA and the IEB when you place your vote on her.
- May-Britt will as Secretary General work towards excellence and support the IEB team and National Sections to her best ability. Your vote on her is expected!
